Silver Business Maintenance Package:

Up to 2 hours/month of editing time allows for some simple graphic and photo edits. This is ideal for updating specials or product highlights. This package is good for non-profit sites, small educational sites, small business sites, etc.

Gold Business Maintenance Package:

Up to 5 hours/month of editing time for several graphic and photo edits, doing some text edits on several pages. This is ideal for updating specials or product highlights and adding articles or reports to the site, also can include adding product to ecommerce sites. This package is good for medium educational sites, ecommerce sites, medium business sites, etc.

Platinum Maintenance Package:

Up to 10 hours/month of editing time allows for several graphic and photo edits and doing some text edits on several pages. This is ideal for updating specials or product highlights on a regular basis (several times per month), adding or updating articles, reports to your website or news sections. This package is good for large ecommerce sites, large business sites, etc.
